1st Place at Bentley Health & Business Case Competition

November 2025

- Won 1st place out of 20 teams in a health and business competition across Bentley's program
- Presented a data-rich go-to-market strategy that outlined market entry tactics and projected revenue growth of 20% within the first year by researching and analyzing market trends and competitive gaps in the pharmaceutical industry to identify strategic growth opportunities for a strongly traditional company but lagging industry.

MOS Word 2016 Specialist Certification

January 2025

MOS PowerPoint 2016 Specialist Certification

April 2025

WORK EXPERIENCE

Indovina Bank (Head Office), Ho Chi Minh City, Vietnam

June 2026 – Present

Compliance & AML Intern

- Verified 100+ corporate lending accounts to ensure 100% compliance with internal policies and banking regulations throughout the loan lifecycle, in terms of customer classifications, legal documentation, collateral validity, and contractual profiles.
- Conducted 50+ compliance reviews daily of credit clients by examining loan proposals, powers of attorney, business plans, and supporting documentation to identify discrepancies and coordinate corrective actions with branch offices.
- Accomplished a 20% decrease in false-positive AML alerts and manual compliance reviews by interpreting banking regulations and collaborating with IT to enhance data integrity and strengthen system controls.
- Reduced document verification time by 15% by developing standardized Excel trackers and review templates to categorize accounts and contracts, and improving review consistency.

BYD Company, Ho Chi Minh, Vietnam

June 2024 – September 2024

Business Analyst Intern

- Investigated the Vietnamese EV market landscape, identifying ~15% market growth in 2024 driven by government fee exemptions and tax reductions, and assessed competitive positioning against dominant player VinFast and international entrants.
- Quantified customer adoption trends and purchasing behavior using Excel Pivot, PowerBI to track patterns across key consumer segments, surfacing actionable insights for BYD's local marketing strategy, and increased engagement by 20%.

ACTIVITIES AND LEADERSHIP

Bentley Investment Group, Waltham, MA

January 2026 – Present

Stock Analyst

- Conducted equity research and industry analysis on Broadcom, evaluating competitive positioning, financial performance, and sector trends to develop a formal investment thesis.
- Initiated an independent stock pitch on Datadog, performing bottom-up analysis on the cybersecurity and cloud monitoring space using Bloomberg Terminal to assess growth catalysts and valuation.
- Developing a formal investment pitch on Dell Technologies, synthesizing AI infrastructure demand, and company fundamentals into a comprehensive recommendation for presentation to the group.

Bentley Vietnamese Student Association, Waltham, MA

January 2026 – Present

Vice President

- Led 5 events serving 50 – 100 attendees each, oversee end-to-end operations from concept planning and logistics to execution for general body meetings and major club initiatives.
- Coordinate weekly planning meetings with organization members, delegating tasks across teams and aligning stakeholders on event timelines to ensure smooth and consistent delivery.

ADDITIONAL: Treasurer at Hall Council, Founder of a Nonprofit Project, Director of Music Show
